

LANDSCAPE LABORER

Pro Landscapers is looking for highly motivated, experienced, landscape laborers to join our team. The Laborer is responsible for installation of daily landscape construction and to ensure quality and timely completion of each project. The perfect candidate will have a great work ethic, be a team player, and adapt to constantly changing conditions.

Responsibilities:

- Employees must have the ability to perform manual labor and lift up to 80 lbs. at times
- Plant Trees, Shrubs and Perennials and spread topsoil, rock, mulch, sod, etc.
- Install Hardscape, water features, lighting, and outdoor kitchen systems
- Perform all tasks included with landscape installation such as; digging, lifting, shoveling, raking, sweeping, watering, etc.
- Use hand tools such as wheelbarrow, rake, shovel, pick, broom, etc.
- Operate power equipment such as chain saws, sod cutter, etc.

Working Conditions:

Most landscape laborer positions are seasonal, available during the Spring and Summer months. Most of the work is done outdoors in all weather conditions. The type of work each day will be determined by the type of landscape project on the schedule. The work is typically demanding, requiring frequent bending, kneeling, lifting, and shoveling.

Requirements:

- Experience is not required, we will train the right candidate
- Valid Driver's License with a clean driving record

Wages are based on experience and equipment operation skills.
